## Aves® Safety Solvent

ARTS • CRAFTS • SCHOOLS • MUSEUMS • TAXIDERMISTRY • HOBBIES • INDUSTRY

### Features and Benefits

- Aves® Safety Solvent is safer than most all solvents available.
- Conforms to ASTM D4236.
- Great replacement for acetone & other commonly used toxic solvents.
- Clear liquid. Low flammability, high flash point. Low odor and fumes.
- Freeze-thaw Stable, Incredible shelf life!
- DOT Certified for shipping by air, land or sea.
- Does NOT contain alcohol, M.E.K.P, paint thinners or other harmful substances found in similar products.
- Companion product for use with Aves® 2-part products, including Apoxie® Sculpt, Apoxie® Paste, Apoxie® Clay, FIXIT®, & FIXIT® Paste.
- Removes nearly any sticky substance: label residue, Apoxie® Paste, FIXIT® Paste, other epoxies, etc. before setup. Also removes inks, markers & stains from white boards, fabrics, and other surfaces. *(Always be sure to test surface or fabric first for color fastness & structure.)*
- Aves® Safety Solvent comes in a flip-top plastic squeeze bottle & 3 convenient sizes.
- Available exclusively through Aves® Studio and its distributors.

Aves® Safety Solvent is recommended for smoothing, tooling, texturing, and quickly cleaning Aves® Apoxie® & Fixit® products from your tools, brushes, and work surfaces. This clear liquid is a “must have” companion for our line of two-part clays. Water clean-up!

### A SAFER MORE EFFECTIVE SOLVENT

**A must have companion product for Aves 2-part products:**

Apoxie® Sculpt, Apoxie® Clay, Apoxie® Paste, FIXIT®, and FIXIT® Paste

### Protection & Control Measures

Keep Aves® Safety Solvent in a closed container and sealed when not in use. Good ventilation should be used. (Ventilation rates shall be matched to environment conditions). \*Keep out of reach of children. Wear rubber gloves, goggles or safety glasses when using Aves® Safety Solvent. Do not smoke or use product near open flames. Do not dispose of Aves® Safety Solvent in an incinerator. Simple water cleanup is recommended. Conforms to ASTM D4236.

**3 Convenient Sizes: 1 fl. oz., 4 fl. oz., 16 fl. oz.**

**Aves® fine clays and machés are available in convenient sizes. Ask your supplier for details.**
